

UnisLink RCM Plus++ for Physician Offices

Augmented billing for
better results

Streamline Your Billing and **Maximize** Reimbursements

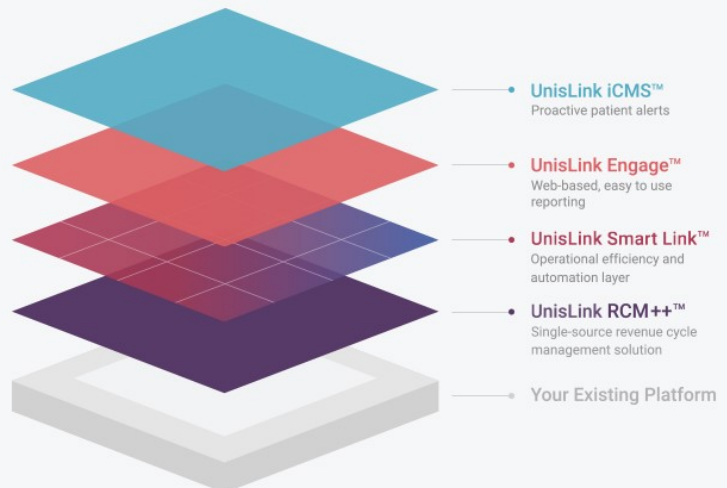

Does your current RCM model ever let you down? Could you benefit from a system that gives you better results with less effort?

Apogee has partnered with UnisLink to bring you RCM Plus++, to take you beyond better billing with a comprehensive one-source solution for all your RCM needs.

Choose UnisLink as your medical billing provider and we'll help you:

- ✓ Create open slots to treat more patients.
- ✓ Reduce denials.
- ✓ Maximize quality scores.
- ✓ Improve billing operations speed.
- ✓ And More!

No Need to Switch Your Current EMR/PM/Billing Software!
UnisLink's modular cloud solution overlays and turbocharges
all major industry platforms.
